

Opus Music ColorSoudation Policies

Opus Music's Lesson Policy is hereby set in order that the student gains the maximum benefit from their lessons and to ensure efficient operation of the studio. When you have read and understood this contract completely, please sign and date this document.

ColorSoudation is a groundbreaking method of early music instruction based on the association of colors, notes, and tones for young children between the ages of 3 and 5 years old. The program is designed and broken down into four levels for a two year commitment. Taking all 4 levels is proven to be the most beneficial for students; this will ensure the student gets the most out of the program. For older students, please inquire with the studio about starting at the Music Literacy Level (Level 3).

Scheduling of Classes

There are 20 classes within a 5 month time period. Each class is 45 minutes long, scheduled on the same day and time of the week, except every 5th day of the month and on major holidays. No classes will be offered on the 5th day of the month, unless previously scheduled. Please check with the front desk for the schedule. A minimum of three students are required to start a session.

Session Time and Day:

Tuition

There are two options for tuition, a monthly payment of \$130 or paying \$580 in full for the 5 months. Payments for Option 1 are required a week before the first class of the month. Payments for Option 2 are required a week before the first class. Tuition does not include all the materials the student will need for the classes. Materials differ in price depending on the level. We are able to accept payments at the front desk and by phone. Tuition can be paid by cash, check (written out to Opus Music), and credit card (Visa, MasterCard, American Express, Discover Card). No refunds will be issued upon first payment.

Rescheduling Classes

If the student cannot attend a class, Opus Music can issue a private 15-minute, make-up session. The session will cover any missed material in class. The make-up classed will be scheduled 15-minutes prior to the normally scheduled class. In order to be eligible for a make-up session, Opus Music must be informed 24-hours in advanced of the cancellation. Cancellations must be made via phone or email, NOT through the instructor.

By signing this document, you are stating that you understand and are in full agreement of all of the above policies; thereby making you eligible for lessons at Opus Music.
